Cost

Two Plans are available which differ only in the Maximum Benefit: \$100,000 for Plan 1 and \$250,000 for Plan 2

For a single student age 39 or less the cost for a year is given as an example;
Costs are for 2005-06:

Plan 1 \$1,455.00

Plan 2 \$1,518.00

The Plans have an Annual Deductible of \$300.00, a Hospital Admission Deductible of \$500.00 and an ER Deductible of \$250.00 along with Outpatient Physician Copay and Specialist Copay of \$25.00 and \$35.00 respectively. There are coinsurance constraints. Dental coverage has been offered as an add-on option. Other coverage options to include spouse, single child, children and family have been available. Details are available from the sources indicated above.
