

The Project on Research in Medical Education  
(PRIME) Morning Seminar

# ***The Reynolds Geriatric Education Grant 2005 Update***

Come learn about the impact this four-year grant has had on our curriculum and about the multiple innovative methods that have been used to improve our student, housestaff, and faculty knowledge, skills and attitudes about geriatric medicine.

*speaker:* **Peter Boling, M.D.**

Principal Investigator for the Donald W. Reynolds Geriatric Education Grant  
Professor, General Internal Medicine/Primary Care  
Department of Internal Medicine

**Wednesday, May 25, 2005  
8 - 9:30 am, Sanger 1-038**

sponsored by Education Research and the Office of Faculty and Instructional Development, VCU School of Medicine on the MCV Campus. For questions, please contact Debbie at 8-6591.
