

**The Project on Research in Medical  
Education (PRIME) Morning Seminar**

**Wednesday, March 26, 2003**

**8 – 9:30am, Sanger 1-038**

---

**Measuring Self-Directed Learning—**

**Promises  
and  
Pitfalls**

---

**Speakers:**

**J. Dennis Hoban, EdD**  
Director, Education Research

**Paul E. Mazmanian, PhD**  
Associate Dean, Continuing  
Medical Education

Drs. Hoban and Mazmanian will discuss a questionnaire used to measure **self-directed learning**—an important professional characteristic. They have tested this instrument on nearly 1,000 entering medical students. Come and see what they found out about the **Self-Directed Learning Readiness Scale**.

*Sponsored by Education Research and the Office of Faculty and Instructional  
Development, VCU School of Medicine on the MCV Campus*
