

**Faculty Development Workshop for MI, MII Course Directors, MIII Clerkship Directors, Chief Residents, and Interested Faculty**

# **Self-assessment and Feedback in Lifelong Learning and the Health Professions**

**Guest speaker:**

**Robert Fox, Ed.D.**

**Professor of Adult and Higher Education and Family Medicine  
University of Oklahoma**

Currently, Dr. Fox is a Professor of Adult and Higher Education in the Kellogg Research Center for Continuing Professional Education at the University of Oklahoma. He is also Adjunct Professor of Family Medicine at the University's health science center. He teaches Ph.D. courses in Research, Instructional Strategies, and Continuing Professional Education. He is an internationally recognized author of three books and many articles on learning and change in the health professions. His current research interests focus on the process of change in professional performance, motivation, and learning from clinical experience.
