

Virginia Commonwealth University

Call for Abstracts!

*Eighth Annual
Virginia Commonwealth University Medical Center
Resident/Fellow Research Day*

**Thursday June 2, 2011, from 2 – 6 PM
Molecular Medical Research Building**

Instructions for abstracts: *Residents and clinical fellows* are invited to submit *one* abstract of basic science/laboratory or clinical research. Abstracts will be considered for oral or poster presentations depending on the number of submissions. Submitted abstracts *must* include: 1) title, 2) authors, with the resident/fellow-presenter's name underlined, 3) resident/fellow-presenter's department, 4) resident/fellow's faculty mentor/supervisor, 5) designation as either basic science/laboratory or clinical research, 6) preference for oral, poster, or either presentation format, and 7) Structured Abstract of no more than 300 words, including the sections "Objectives", "Methods", "Results", and "Conclusions," with no figures or tables included. All submissions must be submitted as MS Word documents. For further information, contact Dr. Evan Reiter at 828-2766, or through the email listed below.

Cash awards will be given to the top presentations!

All abstracts must be submitted via email by **Friday, April 1, 2011** to:

Evan R. Reiter, MD/Stephanie Brown
Department of Otolaryngology – Head & Neck Surgery
Email: sbrown7@mcvh-vcu.edu
