

CONTRACT NEGOTIATIONS:

What you need to know!

Before you begin practicing, be aware of the pitfalls!
Let the **Richmond Academy of Medicine**
help prepare you for the “business” of medicine.

The Richmond Academy of Medicine and
VCUHS Housestaff Council invite you to attend a
free workshop for VCUHS fellows, interns, and residents.

Healthcare today is much more than just physicians caring for
patients. Come meet *Steve Rosenthal, Esq., former Attorney General*
of Virginia and a favorite lawyer among physicians,
to learn about contract negotiations.

It's what you don't know about your future that can hurt you!

When: **Tuesday, October 25, 2011**
Time: 5:30 p.m.

Where: **The Learning Center**
(1st Floor of Main Hospital, across from cafeteria)

**Dinner will be provided!*
