It is my pleasure to request nominations for the 2024 MCVP Distinguished Clinician of the Year Award. This is the most prestigious award that MCVP presents. The award recognizes clinical excellence among faculty at the VCU Health System. Criteria considered include the following attributes: compassion, clinical effectiveness, efficiency, comprehensiveness, professionalism, availability, and responsiveness to patients.

The MCVP award will be granted to the winner at the Annual Faculty Excellence Awards Program, on Wednesday, September 18, 2024, from 12 to 1:30 pm.

The deadline for submitting nominations is July 22, 2024.

Submit your nomination to this email anne.bonnevie@vcuhealth.org, and include the following information:

1. A letter of nomination no longer than one page.
2. Three letters of support, addressed to Scott Stringer, MD, including one from the clinician's supervisor/chair.
3. CV or NIH style biosketch.

Please note only **full-time** faculty are eligible for this award. All nominations will be reviewed by a committee comprised of former winners of this award. A panel including the President of MCV Physicians, the Dean of the School of Medicine and the Sr. Associate Dean of Faculty Affairs, SOM will also review the nominations to verify that the nominees are in good standing with regard to professionalism and citizenship.

If you need more information, please contact Anne Bonnevie at anne.bonnevie@vcuhealth.org, Tel: 804-827-8406.

Attached is a list of previous years' award winners.

Thank you.
